

ANNEX C – IMPORTANT DATES FOR ENTITIES IN ADOPTING UEN

Date	Key UEN Activity
August to October 2008	Entities receive their UEN via post.
1 October 2008	Entities can use the search function on the UEN website to find out the UEN of an entity using its current identification number. Entities can request for conversion data through the UEN website.
1 January 2009	Entities use UEN to interact with the 51 government agencies (see Annex A) 12 government agencies will discontinue the use of their existing identification numbers and replace them with UEN (see Annex A for details)
1 July 2009	Entities use UEN to interact with all government agencies
1 January 2010	Legislative requirement – Cut-off date for all LLPs to reflect their UEN in their invoices and official correspondences, as required by ACRA. LLPs are advised to reprint these official stationery items before this date, but will be allowed to continue using their existing stock until this date.
